Logo concept

Pillars supporting a roof are represented by the letters J, H and F. The line representing the ground is intended to create an uplifting feeling, and the sphere symbolizes security and expanse. The green color represents growth and vitality. The logo symbolizes the fusion between JHF and the world of housing.

* JHF is an abbreviation of Japan Housing Finance Agency.

1. This Booklet is a disclosure material (explanatory material related to the operational and financial situations) prepared based on the "Law related to public disclosure of information held by incorporated administrative agencies" (Law No. 140, 2001).

2 Explanatory notes

(1) Rounding of figures

Amounts are rounded to the nearest unit. Percentages (%) are rounded off at the second decimal point in principle. Components do not sum to the totals because of rounding.

(2) Indication method

Items with values less than a unit are indicated as "0" while items with no statistical figures are indicated as "-."

3. Information on JHF, including those in this booklet, is available on its website (<http://www.jhf.go.jp/>).

4. If there is any material difference between Japanese original version and this English translation, the Japanese original version shall prevail.
