Types of Town Development Loan		Construction and Purchase Fund
	Redevelopment Project	● Fund needed for projects by redevelopment associations, etc., during the period from project design and planning to construction completion and transfer of the site and floor space retained by the project execution body
Eligible Borrower		● Individual or small and medium-sized corporations or associations implementing reconstruction projects (urban redevelopment associations, associations of disaster prevention area development, condominium rebuilding associations, etc.)
Zone Requirement		● Both the following conditions must be satisfied. Visit the JHF website for details. ① The zone shall be a residential, commercial or semi-industrial zone. ② The zone shall be a fire control or semi-fire control zone.
Project Requirement / Structural Requirement		● [Project Requirement] The projects listed below are eligible for the loan. Visit the JHF website for details. ① Condominium rebuilding project ② Joint rebuilding project ③ Rental structure rebuilding project ④ Comprehensive design and coordinated rebuilding project ⑤ Rebuilding project to comply with district plan, etc. ● [Structural Requirement] Projects must meet all the following conditions. Visit the JHF website for details. ① The ratio of total area of the residential portion must exceed 50 percent of the total building area. ② The building must be either a fireproof or semi-fireproof structure. ③ More than 50 percent of the legal floor-area ratio must be used. ④ The floor area per residential unit must be 30m ² or more and 280m ² or less. ⑤ It must comply with the technical requirements provided by JHF.
Loan Amount	Eligible Project Cost	● Survey, design and planning cost, land or leasehold acquisition cost, construction cost, repair cost, contribution of participating members, etc. ※ The purchase fund is available for projects for which the purchaser is originally planning to obtain it from the beginning of the project.
	Maximum Loan Ratio	● 100% of the eligible project cost (Projects have JHF screening after loan applications and the loan amount may not be the expected following the screening of the evaluation of collateral, etc.) ※ The loan amount is in units of 100,000 yen and at least one million yen
Interest Rate	Interest-Rate Level	● 0.67% ※ The interest rate is reviewed monthly. The rate above is as of April 1, 2016. Visit the JHF website for the latest rate.
	Interest-Rate Decision	● The interest rate is that of the date of the fund delivery. (However, the interest rate at the time of refinancing applies when refinancing by renewing the bill.) ※ The interest rate applies until the delivery date of the second half in April of the following fiscal year to that of the fund delivery (as designated by JHF). However, in case of refinancing, it applies until one day before the delivery of the second half in April of the following year. ※ The interest rate after refinancing applies until the date of the fund delivery in the second half in April in the following fiscal year to that of the refinancing. (In case of further refinancing, it applies until one day before the delivery of the second half in April.)
Loan Repayment maturity		● The date is within two years of completion of the building and designated by JHF in accordance with each project.
Loan Repayment Method		● The principal and interest are repaid on the date designated by JHF upon discussion with JHF in accordance with the transfer condition of the site and floor space retained by the project execution body, etc. The repayment amount is calculated by JHF based on the sales price of the housing units subject to the loan (sales price when JHF approved the project plan and consumption tax is included) multiplied by the loan ratio ^① and the repayment ratio ^② set individually based on the JHF calculation and in accordance with the number of sold units ("50% + (loan ratio (%) - 50%) x 2" until 30% of housing units subject to the loan are sold ^{③④} and the same ratio as the loan ratio after 30% is sold in principle). Contact JHF for details. ※ 1 The loan ratio is the ratio of the JHF loan amount to the total sales price of housing units (consumption tax included) subject to the loan when JHF approved the project plan. ※ 2 The repayment ratio refers to the ratio of repayment amount to the sales price of housing units (consumption tax included) subject to the loan when JHF approved the project plan. ※ 3 The repayment ratio is 100% when the loan ratio is 75% or more and the same as the loan ratio when the loan ratio is below 50%. ※ 4 When there is minimal concern over repayment because of the debt guarantee by companies in good standing and provision of a separate mortgage, the loan ratio can be the repayment ratio. ● The principal and interest are to be paid in lump sum on the date in April designated by JHF every year. If lump-sum repayment is not possible because the project period exceeds the repayment date, the bill can be renewed on the repayment date for refinancing to continue borrowing. When refinancing on the repayment date, the loan shall be repaid with the loan based on the loan commitment of the following fiscal year on the repayment (refinancing) date. The accrued interest shall be paid on the same date or added to the principal. Contact JHF for the specific repayment amount and other details.
	Repayment Resources: Examples	● The sales proceeds of the site and floor space retained by the project execution body, settlement money of right holders for floor increase, subsidies, etc.
Loan Contract Form		● Promissory note
Collateral		● The first fixed mortgage shall be imposed on the land and building and the first pledge and assignment security right, etc. shall be imposed on the claims of the project executing body for JHF. It is individually consulted based on the project contents. The expense of imposing a mortgage (registration license tax and fees for judicial scrivener, etc.) shall be borne by the borrower.
Guarantor		● Following loan screening, the borrower may be required to obtain surety with sufficient guarantee capacity. ※ An individual can serve as the cosigner only when the applicant is the operator of the corporation. ※ When a corporation serves as the cosigner, guarantees of guarantee agencies approved by JHF at the time of application are available in addition to a eligible corporation. ※ A guarantee fee must be paid to a guarantee agency.
Building Technical Requirement		● The building must satisfy the technical requirements provided by JHF. (Visit the JHF website for details.) ※ The building needs to be inspected by a conformance certifying agency and inspection fees are levied. The fees differ according to the conformance certifying agency.
Fire Insurance		● The building shall have fire insurance when JHF deems it necessary. (The first pledge is imposed on the right to claim insurance money for JHF when it deems the pledge necessary.) ※ Fire insurance premiums shall be paid at the customer's expense.
Fees for Partial Advanced Payment		● ¥5,250
Fees to Change Repayment condition		● ¥5,250

※ JHF screens loan applications based on its own procedures and there may be cases in which applicants' expectations are not satisfied following the screening.

(Note) The guarantee agencies approved by JHF as of April 1, 2015, and their fees are listed below:

- Shutoken Funen Kenchiku Kosha and Jutaku Kairyō Kaihatsu Kosha: 1% of loan amount p. a. (paid annually)
