

## **JHF and MIK concluded MOC to jointly exchange information on green housing finance**

Japan Housing Finance Agency (“JHF”) and Mongolian Mortgage Corporation (“MIK”)\* concluded the Memorandum of Cooperation (“MOC”) to foster exchange of information on housing finance to facilitate construction of energy efficient houses, so called green housing finance, and other activities and the MOC signing ceremony was held at JHF headquarter building on October 11, 2019.

JHF will continue to foster global awareness of JHF’s effort to facilitate construction of energy efficient houses in cooperation with MIK.

Japanese press release is available from the following link.

<https://www.jhf.go.jp/files/400351216.pdf>

\* MIK was established in 2006 and conducts: purchasing of preferential interest rate applied housing loans with the support from the government: issuance of mortgage-backed securities backed by such housing loans:, and other businesses.
