

**JHF was invited to speak at G20 Global Summit on
Financing Energy Efficiency, Innovation and Clean Technology**

Japan Housing Finance Agency (“JHF”) was invited to speak at the “G20 Global Summit on Financing Energy Efficiency, Innovation and Clean Technology” on June 12, 2019 at the United Nations University, Tokyo, Japan.

The delegate from JHF joined the plenary session 1: Global stock take with financial institutions and explained the undertakings of JHF to expand energy efficient houses in Japan and its implications to emerging economies, among others.
