

## **JHF joined the 1st meeting of Public-Private Platform for Urban Development between Cambodia and Japan**

A delegate from Japan Housing Finance Agency (“JHF”) joined the 1st meeting of Public-Private Platform for Urban Development between Cambodia and Japan held on February 27, 2019 in Phnom Penh, the Kingdom of Cambodia.

At the meeting, JHF delivered a speech regarding the business model of JHF and technical assistance provided by JHF to support the development of housing finance market in developing countries

The Ministry of Land, Infrastructure, Transport and Tourism (“MLIT”) aims to establish a “Bilateral Platform through Public-Private Partnership” with countries which have various issues related to urban development and real estate development, mainly in the ASEAN region.

MLIT signed a memorandum of understanding with Ministry of Land Management, Urban Planning and Construction (“MLMUPC”) and the 1st meeting was held as an initial approach towards the establishment of “Public-Private Platform for Urban Development between Cambodia and Japan”.
